

SPECIAL PLACES

Foundation 2023

How can we look after special places for living things?

We can look after places:

We have been learning about places that are special to us: National Parks, school, home, gardens and our community.

The children became aware of our local community and how they can contribute to looking after these places in positive and impactful ways for the future of our world.

Key Skills:

designing and planning
problem solving
creating
experimentation
critical thinking
using feedback
team work
researching

Key

Understandings:

- Some places are special to people
- Each student can have a positive impact on the world
- People need to look after and respect the environment
- Each student can take action to look after their world
